

# Collab Introduction

Hi babe!

I'm so excited for our collab! Here's a quick outline of everything we'll need to prep beforehand, what to bring the day of, and how the shoot will flow. Let me know if you have any questions at all!

You can find all of my links on [www.cookiejarofficial.com/links](http://www.cookiejarofficial.com/links)

## Your Next Steps

### **Paperwork + Forms (Please send before shoot day):**

1. Your **QR Talent Test** as soon as results are available - <https://TalentTestingService.com>
2. Fill out our **Model Agreement + 2257** here:  
<https://cookiejarofficial.com/model-release-form>
3. Submit your **social tags** (you + your partner if applicable):

## What to Bring

### **Pre-Live Items (Can collect in person, but earlier is better!):**

- Up to **5 SFW pics** for our Live flyer
- A **24-hr free trial link** to your page (used 30 mins before we go Live)
- A **1-month free trial link** to use as a prize during Live
- Your **OF/Fansly stream key** (Settings > Streaming > Copy Key) – we stream through Restream.io to get the best angle for both of our pages!

### **Outfits (We typically shoot 3 looks):**

Please bring multiple options per category so we have choices to match.

1. **Cute/Girly** – 2-piece set, pastels, brunch vibes
2. **Cocktail** – LBD energy, dark tones (heels encouraged)
3. **PJ Look** – Slip dress or matching PJs, soft colors
4. **Girly Lingerie** – Different colors for GG content (for tapes, JOIs, or bonus clips)
5. **Darky/Sexy Lineage** - Used for late-night sex tape. (leather, pleather, vinyl, lace, dark colors)

### **Toys:**

Bring any toys you love to use on Live! I have tons, but if you have a **Loveuse**, definitely bring it – they go *crazy* during Lives!

## Shoot Day Flow

We like to start early so we can pace ourselves and take breaks. Here's the general plan:

- **OFTV Episode** (solo or couple-style intro/origin story)
- **Coffee Tip Campaign** – a fun “Buy us coffee” clip + thank-you vid for DMs
- **Socials** in each outfit
- **GG Content** (JOI, full length, or other VIP content)
- **BG Full Length** (if applicable)
- **Live Stream Show** at 6PM PST (set up starts around 5PM)

Can't wait to shoot with you! 💕 Let me know if anything's unclear or if you need help with anything beforehand.
